

## NYU SHRM Chapter and HR/NY welcome new HRMD students

NYU SHRM Chapter 2013-14 Board

NYU SHRM Chapter President Ross Brand and Communication Director Serra V. Dedeoglu attended the SCPS Graduate Student Orientation on August 28 to welcome new HRMD students and introduce the NYU SHRM Chapter. But the introductions didn't stop there!

NYU SHRM's first event of the semester, **Discover SHRM with NYU SHRM Chapter**, was a success with more than 50 HRMD students and alumni in attendance on September 6.

Our guest speakers from HR/NY, University Relations Chair Dr. Barry Miller and Co-Chair Jose Garcia, shared valuable insights on the benefits of SHRM involvement.

The happy hour at Dove Parlour right after the event provided the perfect opportunity for new students to meet second-year students and alumni.

Welcome aboard, everyone!

## SHRM Assurance of Learning Assessment

The SHRM Assurance of Learning Assessment is the universal benchmark for undergraduate and graduate-level HR students.

It benefits students by showing employers the student has acquired the minimum knowledge required to be a successful HR professional.

The assessment gives recent graduates an important advantage over other entry-level candidates by showing the student has achieved the Certificate of Learning upon passing an exit exam.

To learn more about the advantages of this assessment and exam schedule, please visit <http://www2.shrm.org/assuranceoflearning/index.html>.
